To support an application for sick leave benefits or to support a workplace absence, please ask your healthcare professional to complete all sections (except for Section A – Employee Information & Consent) of this form. This information is vital to ensure eligibility to benefits and/or to support an absence from work. You are obligated to provide Humber River Health's Occupational Health, Safety & Wellness department ("OHS") with updates concerning your prognosis and your abilities as they relate to your job tasks. This initial report shall be provided to OHS in a timely manner, but ideally within 48 hours of any medical assessment. If you are aware of any delays in obtaining the information requested below, you must inform OHS promptly and must facilitate ongoing communication to assist in your successful return to work. If your illness or injury is a result of a workplace incident, do not use this form and instead contact OHS for guidance.
